“

I would like to say a massive thanks to you guys for all you have done in regard to our 2021 senior shirts. The kids up here at T.I Primary are absolutely stoked on their senior shirts and the feedback in the community has been excellent. You guys have done a top notch job and we are 110% happy with the finished product.

As the coordinator there is obviously a lot of work that goes in behind the scenes to ensure that everyone gets what they want. I just want to say personally that you guys have made my job easy every step of the way. A big cheers for your patience and commitment to making the whole process as easy as possible. I would highly recommend you and your team to anyone and look forward to working with you guys in the future.

Thanks again to all involved!

Zachary Harris, Tagai Island Primary
